NOTES ON THE INDEX

1. Authors' names are in full, rather than using initials for the first names.
2. Titles appear in italics.
3. Conferences have been given a subject entry only when the title is not explanatory or where the subject matter is general, e.g. Umbrella.
4. Issues are referred to by year and number with page numbers following, and appear in bold. For example: [Spring 2001 \(1\) 1](#)
5. Organisations have been indexed by their full title with **see** references at their initials.
6. When an article includes photographs that entry appears in **bold**.
