

CLEAR 2018

" COLLABORATIVE LEARNING
THROUGH EVIDENCE & RESEARCH "

Rebecca Williams – Bradford District Care NHS Foundation Trust

Our Conferences

- **Real World Research & Evidence - 9th**
April 2014
- **PREP 2016 – Putting Research & Evidence into Practice – 5th May 2016**
- **CLEAR 2018 – Collaborative Learning through Evidence & Research – 17th May 2018**

Why bother...?

Shouldn't R&D departments just organise their own conferences?!

Promoting EBP

Evidence Based Practice & Research – hand in hand!

Getting Started...

- Aim of the day!
- Date in diaries
- Book a venue
- Identify a keynote/s
- Plan agenda
- Funding...

All the posters are great but my personal favourite is number.....

Evaluation

“There was a great mix of speakers with interesting topics...a really good atmosphere.”

“Wide range of topics discussed with staff presenting from all levels. I enjoyed the parallel sessions as I could choose something specific to my interests.”

“Excellent range of speakers with relevant information stands and thought-provoking sessions.”
