4.	Finance Update CA reported that the balance of accounts was currently £14,553. There are still some outstanding invoices from members but sending a double invoice for payment of arrears, in conjunction 2023 renewal, may be the easiest solution. Payment for the Ned Potter course has still not been processed.	
5.	London Searching and Training Forum (LSTF) Adam Toccock from LSTF gave a presentation to the committee about the work of LSTF. The successful search buddy scheme, which was run in our region, was originally a LSTF idea. Adam is asking for new members for his group, HS has since shared Adam's slides amongst YOHLNet members. HS has volunteered to participate as a YOHLNet representative at future meetings but HS and Adam are keen for other members to join	

	the Forum if interested.

HJS will open it to lis-medical if more numbers are required. 6 bookings so far</p> <p>LILAC Conference – University of Cambridge, 19 – 21 April 2023. Chat Space event took place (thanks to Natasha Craigs and Caroline Hornsby) - 13th October, 13:45-14:45.</p> <p>Feedback from Natasha</p> <p>“We had a small number of people attend (3) alongside myself & Caroline. There was some good discussion but prompts were needed. I tried to obtain some CPD suggestions from the meeting to feed back to you as YOHLNet CPD lead.. but nothing came of this. We also asked whether people would be interested in another meeting and how often people would like to meet. Not much came of this, so I’m not sure how</p>	HJS
