Annual Christmas Study Day, 12th December 2017

- YOHHLNet's first Annual Christmas Study Day and introduced the inaugural YOHHLNet Awards
 - Was a fantastic day with representation from a wide range of staff.
 - Superb keynote speaker – Sue Lacey-Bryant, providing an update on Knowledge for Healthcare, highlighting some of the impact submissions from the region.
 - Great to hear about some of the initiatives happening in the region and some fantastic ideas materialised from the Knowledge Café Session
 - David Stewart provided an interesting but entertaining (with audience participation!) insight into the journey that the region had made in recent years
 - Announcement of, and presentations to our YOHHLNet Award winners in the four categories: Moments of Magic; Innovation Award; Engagement Award and Leadership Award. In addition, David Stewart also presented the first Director's Award to members of the YOHHLNet region
 - Congratulations to all our winners
 - Time to relax (and network!) over a lovely festive lunch!

Planning is well under way for our 2018 Christmas Study Day on the 13th December 2018 – so get the date in your diaries!
